The past year has brought unprecedented challenges. In 2020, the whole world changed. We applaud the bravery and courage of our frontline workers who faced the most difficult circumstances. The Foundation of the Pennsylvania Medical Society adapted to best serve you safely during the COVID-19 pandemic by seamlessly transitioning our programs to a virtual platform.

So much has changed in 2020. We remain grateful for what is constant – your support. We could not do this life-changing work without your generosity. Because of you, we are able to continue serving our family of medicine. Thank you for making a difference.

We are grateful for your perseverance and dedication to our family of medicine during this most challenging year. Because of your support, we can provide hope for the future.

Virginia E. Hall, MD, FACOG, FACP
Chair, The Foundation of the Pennsylvania Medical Society
Our 2020 Impact Report allows us a moment to pause and examine the positive impact the Foundation has had on its many constituencies. In this report we bring our mission to life and provide critical data to illustrate how we fulfill our commitment to the physician community.

In this unprecedented year, as we weathered a global pandemic together, “thank you” seems less than sufficient when I search for the words to express my gratitude to our Board of Trustees, Foundation staff and the many donors for their investments of time, talent and treasure in every avenue of our life-changing work. Within the pages of this booklet, you will find details on the dozens of students we have assisted through our loans and scholarships, easing the financial burden on the future of medicine. You will find stories from real physicians who have returned to their craft after recovering from substance use disorders, mental illness and other behavioral concerns. Finally, through our LifeGuard program, you are helping medical professionals around the country receive fair, unbiased clinical competency evaluations.

Because of our staff’s nimbleness and commitment to serve, we pivoted and adjusted to ensure that there was no interruption in service during 2020. I am extremely proud of the work we have accomplished this year and I am eager to share it with you. Thank you for your continued generous support.

I am proud of the work we have done this year and I am eager to share it with you. Thank you for your continued support.

Heather A. Wilson, MSW, CFRE, CAE
Executive Director, The Foundation of the Pennsylvania Medical Society
Thanks to the generosity of Pennsylvania Medical Society Past President, Lawrence John, MD, and his matching $10,000 donation as part of the “Dr. John Challenge” before the 2020 Pennsylvania Medical Society House of Delegates, more than $30,000 was donated to the Foundation of the Pennsylvania Medical Society. The Foundation is grateful for Dr. John’s dedication to our life-changing work.

Dr. John was a tireless champion for the Foundation’s programs, especially the Physicians’ Health Program and LifeGuard, during his 2020 PAMED presidency. He dedicated time and treasure to amplifying the issue of physician wellness throughout his term, addressing burnout and mental health issues.

Dr. John’s tremendous act of generosity enables the Foundation to make a positive impact within our family of medicine serving medical students and physicians at every stage of their careers for many generations to come.

Thank you, Dr. John, for all that you do!
For more than 30 years, the Physicians’ Health Program (PHP) has been helping eligible medical and dental professionals across Pennsylvania during life’s most challenging moments.

The PHP provides monitoring services to Pennsylvania physicians, physician assistants, dentists and other eligible licensed professionals and trainees who are experiencing issues related to substance use disorders, mental health and other behavioral concerns. The services of the PHP are confidential.

Our Mission

Our mission is to promote early identification and facilitate rehabilitation of physicians and other eligible health care professionals and trainees with concerns relating to substance use disorders, mental health disorders, and/or behavioral concerns. Our goal is to coordinate assessment and treatment as well as provide monitoring and advocacy to ensure the safe practice of their profession, and the safety of the public.
In January, we welcomed Edwin Kim, MD, MRO as a part-time medical director. Dr. Kim also serves as an assistant professor in clinical psychiatry at the University of Pennsylvania and as medical director of the Charles O’Brien Center for Addiction Treatment, an outpatient addiction psychiatry clinic.

In February, we welcomed Alice Dunkin, NPT4 as an assistant case manager. Prior to joining the PHP team, she was employed for 16.5 years at the Pennsylvania Psychiatric Institute in the Partial Hospital Program. She worked in group rooms with children and adolescents and as a resource coordinator.
In 2020, the PHP:

- **Received 200 total referrals**
- **Signed 98 agreements**

Average number of cases monitored per month in 2020 = **428 cases**, 35 less cases per month than 2019.

**9 EDUCATIONAL PRESENTATIONS**
Big accomplishments for the year:

- PHP went electronic
- Developed burnout resource for practices and health systems

In 2020, the PHP conducted its impact survey, with a response rate of 39.77 percent. An impressive 91.18 percent of respondents said, “they have an active license to practice their profession” and 85.71 percent “are working in their chosen profession.”

74.29 percent of respondents were satisfied with their experience as a PHP participant.
The Foundation of the Pennsylvania Medical Society aims to ease the financial burden that medical students feel. Through scholarships and affordable loans, Pennsylvania residents attending medical school enjoy personalized customer service tailored to their unique needs.

Through contributions from donors like you, the Foundation is helping to fund the future of medicine. Since 1948, the Foundation has awarded loans and scholarships totaling $22,610,484 to 4,707 students. With the power of your generosity, the future of medicine is bright – and affordable.

Since 1948, the Foundation has awarded $22,610,484 to 4,707 students.
In 2020, the Foundation awarded $483,625 in loans to 54 students.

Total scholarships awarded increased by nearly $15,000 and six additional students received awards compared to 2019.
Medicine is my calling. The integration of my education, professional experiences and personal experiences has equipped me to enter the field with an unrelenting purpose. I intend to positively change the future of medicine and am poised to make an impact not only in my own community of Pittsburgh, but the world as a whole.

**Stephen P. Canton**

2020 Allegheny County Medical Society Student Scholarship and Foundation Education Award scholarship recipient

Medical school has been incredibly rewarding and humbling, as I realize how unique of an opportunity I am afforded. I realize every day, even in the midst of the stressors of medical school, the luxury it is to search for purpose, meaning, and fulfillment in my career. I have always been dedicated to becoming a front-line physician.

**Kaleb T. Bogale**

2020 Foundation Education Award Scholarship recipient
Thanks to contributions from the Foundation of the Pennsylvania Medical Society’s Board of Directors and other Pennsylvania physicians, THE FOUNDATION EDUCATION AWARD SCHOLARSHIP WAS AWARDED FOR THE FIRST TIME IN 2020 TO QUALIFIED UNDERREPRESENTED MINORITY MEDICAL STUDENTS ATTENDING AN ACCREDITED PENNSYLVANIA MEDICAL SCHOOL.

Since its inception in February 2011, LifeGuard, a nationally recognized program for clinical competency assessment, has assisted 242 physicians from 29 states and the District of Columbia successfully completing the program. Over the course of the 2020 calendar year, there were 63 physicians enrolled.

Enrollment has continued to increase since LifeGuard moved to the Foundation in 2016.

At LifeGuard, we provide an unbiased and comprehensive assessment to preserve physician careers.

Marcia Lammando, RN, BSN, MHSA
In 2020, 40 physicians completed their respective LifeGuard pathway. The information is highlighted below. The number of physicians completing their program in 2020 increased by 14 percent compared to 2019.

- Re-entry/Initial Licenses: 4
- Reinstatement/Disciplinary Action: 11
- FFD/Late Career Assessment: 9
- Quality of Care: 10
- Practice Monitoring/ATM Programs: 4
- Preceptorship Oversight: 1
- Professional Assessment: 1

Since inception, LifeGuard has served physicians in 29 states and the District of Columbia.
LIFEGUARD – COVID-19 IMPACTS

- Mandated office closures – Mid-March through end of June 2020
  - All scheduled assessments postponed until further notice
  - All staff working remotely
  - Responding to physicians and referral sources – LifeGuard continued to develop program proposals

- Office re-opened for very limited in-person assessments week of June 23, 2020
  - Developed virtual assessment methodologies decreasing the amount of time for in-person assessments
  - As COVID numbers continued to spike upwards:
    - Worked with partners to identify assessment resources in other states alleviating travel to Pennsylvania
    - Implemented virtual proctoring
LIFEGUARD ADVANCEMENTS IN 2020

- Received first referral from Michigan State Board of Medicine.
- Collaborated with the Michigan State Medical Society to explore potentially establishing “LifeGuard North.”
- Converted all CME courses to live virtual participation. Collaborated with KSTAR to minimize faculty costs, etc.
- Initiated a response to ABEM for board re-eligibility assessment processes.
